## **WELCOME TO THE BMC SPECIAL HUNTS WEBSITE!**

Badger Mining Corporation (BMC) has been a company sponsor of the Wisconsin Department of Natural Resources (WDNR) 9-day disabled gun hunt deer hunt since 2001. The WDNR created the season in 1990 in order to provide opportunities for individuals with certain disabilities to enjoy deer hunting at a time of year in which temperatures are generally milder and mobility in the woods easier. The smiles, friendships and memories are clearly why BMC is a company sponsor!

BMC originally started the opportunity for Bob Bartol at our St. Marie property in 2001. Bob was a BMC Associate from March 1984 and retired in March 2014. Bob was an avid hunter prior to being injured in a swimming accident in 1974. He is very grateful for every opportunity to get back out in the woods and do something he truly loves!
